Notes from the Traveler

Travel By Motorcoach for a Safe & Enjoyable Season

Avoid long lines, security hassles and delays at the airports and increased prices at the gas pumps traveling by motorcoach. It's a great way to see the country, and a safe way to experience those holiday parties.

Winter is a great time to visit New York City – see the window displays on Fifth Avenue, visit the Christmas tree at Rockefeller Center, or take in a Broadway show. The New York area is popular with skiers, too. Check out the back page for some exciting destinations.

Our experienced travel representatives are ready to assist you with your plans any time of year. Consider chartering a coach for a New Year's celebration, wine tasting tour, factory outlet shopping or sporting event. The cost is extremely reasonable, and you've got the added assurance that there's a professional behind the wheel.

Wherever your group is going, our representatives will work with you to ensure a safe and memorable experience.
