

NOTICE

Old Bridge – Wall Street Service Discontinuance

Effective April 1, 2019 all service on the Old Bridge – Wall Street Route will be discontinued. This will also eliminate Wall Street service to and from bus stops in East Brunswick South of Tices Lane.

This action is necessary due to extremely low ridership on this portion of the route.

Service to and from Wall Street will remain available at the East Brunswick Transportation Center and the Neilson Parking Plaza.

If you have any questions regarding this change call (732) 249-1100, Extension 205.
